Experience

Calvin Seid Innovation Lab | San Jose, CA
Senior Lab Tech
March 2019 - May 2020

Manages and runs several different types of 3D Printers, Laser cutters, and CNCs.

IDSA Student Chapter, SJSU | San Jose, CA
Student Chapter President
May 2019 - May 2020

Plan trips to design events and firms. Plans club meetings on subjects valuable to students and invite guest speakers. Creates programs that can be proven valuable to the students to not only strengthen the program as a whole but to build a community.

Stellar Design | San Mateo, CA
Industrial Design Intern
January 2020 - January 2021

Contribute a creatively adventurous outlook to bring bold new ideas to the table. Deliver a sophisticated aesthetic approach that balances an understanding of user experience and an awareness of emerging trends. Collaborate proactively within a team. Create form studies and prototypes with a confidence in working with your hands.
